\*Microban 24 does not provide 24-hour residual virus protection

\*\*Kills SARS-CoV-2 on hard non-porous surfaces

\*\*\*When used as directed, effective for 24 hours against Staphylococcus aureus & Enterobacter aerogenes bacteria

# Microban® keeps working long after you do

every experience counts.™

Traditional sanitization/disinfection products may clean and/or disinfect, but do not keep working after initial contact, leaving surfaces vulnerable to re-contamination. Microban technology provides 24 hours of protection from bacteria growth even after multiple touches\*.
